Hi, Nancy!

My friend Judy had a graduation party at her home last night. It was fun! We ate sushi, and Vera's band played. Vera is my friend from high school. She usually plays the guitar, but last night she sang with the band. She was great. We all danced and sang and had a great time. My brother, Jake, took pictures with his new camera. I'm going to send you some.

What are you doing these days? Are you looking for a job as an accountant? My sister, Carrie, is working for an accounting company, but she doesn't like her job. She thinks it's boring. She's studying French at night. She's going to take her husband, Martin, to Paris this summer. It's his 30th birthday, and this is her gift to him.

Write soon!

Sally
