Great Vacations

Travel suggestions from our readers

My husband and I went to Lisbon in Portugal two years ago, and it was one of the best vacations we've ever had. Lisbon is a very old city, and there are so many beautiful gardens, palaces, fountains, and squares. We took a bus tour of the city, and we took hundreds of pictures. We tried the seafood restaurants – they were great! We bought food and beautiful souvenirs at the open-air market, too. And the weather was fantastic! – *Lizzie M.*

You should go to Thailand. It's the greenest country I've ever visited. My wife and I stayed in the city of Bangkok for a few days, and then we left and traveled to many places by bus. We met a lot of people and made a lot of friends! The food was great. We tried many traditional dishes and loved them all! We went in January, and the weather was warm and sunny! We had a wonderful time! – *Martin B.*

Go to a beach in Turkey! The beaches there are great places for a summer vacation. In my opinion, the best beaches are in Antalya, in the south. They have clean blue water and beautiful white sand. In the summer, it's hot and sunny, with very little rain. For me, it's the best way to relax and get away from the stress of city life! – *Greg W.*

I recommend going to Buenos Aires. It rained for the first five days of my trip, so I didn't do a lot of sightseeing . . . but I still had a great week. I enjoyed eating in a traditional Argentinean steak restaurant, sitting in cafés, eating wonderful desserts, and I even learned to dance the tango! – *Tanya K.*

2. Who started in one city and then went to different places? _____
3. Who enjoyed going shopping and sightseeing? _____
4. Who didn't write about food? _____

BIOGRAPHY

Björk

Björk is a singer, composer, actress, and music producer. She was born in Iceland in 1965. She recorded her first album, *Björk*, in 1977. About ten years later, she became famous as the singer with a rock band called the Sugarcubes. She was with the band for about four years. Today she's not in a band. She sings and writes music on her own.

Björk is famous for using many different musical styles, including pop, rock, jazz, classical, folk, and hip-hop. She is also famous for wearing unusual clothes at her concerts. She won the Best Actress Award at the 2000 Cannes Film Festival for her performance in the movie *Dancer in the Dark*.

Many people admire Björk because she is interested in helping poor people. In 2005, for example, she asked fans and musicians from around the world to make new recordings of her 1995 song *Army of Me*. Björk and her co-writer, Graham Massey, used the best 20 to create a new CD. The CD raised over $375,000 to help children who lost their homes in the tsunami in the Indian Ocean in December 2004.

____ She made a CD to raise money for children.

____ She was a singer in the Sugarcubes.

____ She was in a movie and won a prize.

____ She made her first album.
