

# unit **2** Quiz Audio Script

## Listening A [Track 03]

**Nina:** Hello?

**David:** Hi, Nina. It's David.

**Nina:** What's up? Is everything OK?

**David:** Did you hear what happened to Becky?

**Nina:** No, I didn't. Is something wrong?

**David:** Well . . . unfortunately, she didn't go to Toronto this morning.

**Nina:** You're kidding! What happened? Did she miss her flight?

**David:** Well, not really. She was lifting weights at the gym last night when –

**Nina:** Oh, no. I hope it's not her shoulder or her arm again.

**David:** No, it's her foot this time. One of the weights fell on her foot.

**Nina:** Oh, no! Did she go to the hospital?

**David:** Not last night. She called me from the gym, and I took her back to her house. She was OK. But when she woke up this morning, she couldn't walk. Her foot really hurt. She's at the hospital now. Her mother took her. She sent me a text a few minutes ago. It seems she broke something in her foot.

**Nina:** So I guess she's not going to be in Toronto this week.

**David:** No, she's not. And she won't be in the office, either. The doctor says she has to stay home for at least a week.

**Nina:** Poor Becky!
