Clothes for Jobs

Are you looking for nice clothes for your next job interview, but you don't have enough money? Well, don't worry! Last year after I graduated from college, I was ready to start looking for a job. That meant job interviews – and interviews mean you have to look your best! But I had a problem: my only clothes were jeans and T-shirts. _____(1), and, unfortunately, I didn't have money for nice interview clothes. Then a friend of mine showed me an article in the newspaper. _____(2).

A few days later, I went to Clothes for Jobs and talked to a woman named Joyce Lee. She was my interview advisor. Joyce understood my problem and said she could help – and she did! _____(3), and I found some awesome things for my interviews: an amazing suit and a beautiful scarf. How did I pay for them? I didn't. _____(4)! Everything was free, and so were the four other outfits Joyce gave me after I got a job!

The idea behind Clothes for Jobs is simple. _____(5). When women clean out their closets, they give the things they don't want to Clothes for Jobs. I was amazed at the beautiful, almost-new clothing women bring there! Stores don't usually work this way, but _____(6). You can't buy clothing there. So if money is a problem, and you need nice clothes for that big interview, this is the place for you.
